FELLOWSHIP MANAGEMENT

The NSF GRFP has grown substantially in the past few years:

	Active Fellows	Award/Student	Total Awarded
2017-18	28	\$46,000	\$1,288,000
2016-17	25	\$46,000	\$1,150,000
2015-16	22	\$46,000	\$1,012,000
2014-15	14	\$46,000	\$644,000
2013-14	13		
2012-13	11		
2011-12	5		
2010-11	2		

The 2016-17 NSF COE policy change resulted in a substantial reduction in transactions processed by the Graduate School.

We are currently administering a fellowship for 1 student supported by the Vietnam Educational Foundation. This will be VEF's final year of operation.

GOALS & INITIATIVES

Streamline the insurance process and increase coordination across campus to provide a more transparent and easily navigable process for students and coordinators. This will require coordination between the Graduate School, Student Health, and Scholarship Administration. (Meeting scheduled in early Feb)

NSF GRFP initiatives – continue to increase NSF GRFP awareness and application attempts/awards. Campus partners: Honors, Undergrad Research, Undergrad Education, Colleges of Science, Engineering, Soc & BehScience

Continue to increase Fulbright awareness and application attempts/awards – monthly sessions scheduled for Spring 2018. Campus partners: Honors, Undergrad Research, Undergrad Education, World Languages, social sciences, and more

Improve Fellowships website - fellowship search, TBP guidelines, all the individual fellowship pages, etc.

Onboard AcademicWorks for Graduate School scholarships & fellowships.

Prep/research for Eccles 40th anniversary event.
