
Graduate School

Information Technology 2022

Last Year

Or More

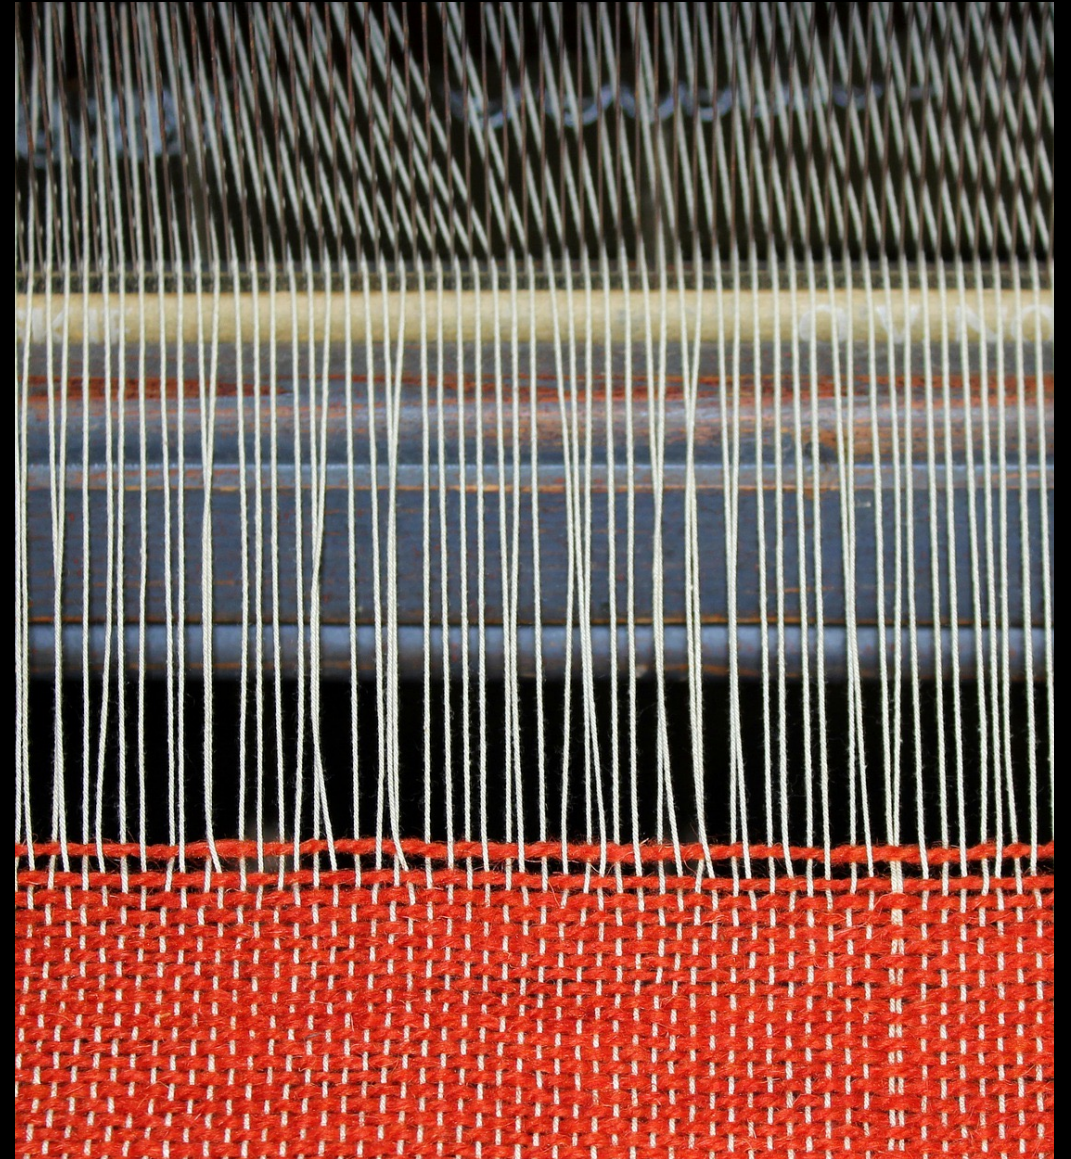

- Website Transition to OU
- Automated DOGS Contact List
- Transition other websites to Docker hosted by UIT
- OnBase
 - Program Reviews
 - Thesis Submission

Automation

Projects to automate

- Extended Tuition Benefit Process
- Graduation Process Emails
- Publish public program review section on website (feed from OnBase automatically)

Train on OnBase reporting so we can easily track trends.

Enhancements

Travel Awards Portal

- Upload PDF
- Add automated emails

Petition Portal

- Add TBP Petition Types
- Add automated Emails
- Prevent Students from filling out the forms themselves

Thesis Log

- Rewrite for better interface
- Rewrite/correct Manuscript Tracking Website

Weekly Scheduled Updates and Upgrades

- Computer Updates
- Website Updates
- Server Updates

Additional documentation of status of each system.

Quick reference of all software assets for security audits.
