

This form is due to the Graduate Records Office by the first matriculated semester.

Graduate courses taken as an undergraduate student, non-matriculated undergraduate, or transfer from another University: No more than 9 non-matriculated credits allowed. A maximum of 6 transfer credits or 6 undergraduate to graduate credits are allowed. Transfer credits cannot count towards a graduate certificate.

Graduate courses taken as a non-matriculated graduate student: Up to 15 credit hours taken as a non-matriculated graduate student is allowed.

**n.b.** No more than 15 credit hours total allowed. All courses must be graded B or better. Use of credits in program of study is subject to acceptance by graduate program supervisory committee. Do not use this form for combined BS/MS programs.
