Section II: Program Summary

Briefly address the following points (up to one short paragraph per item)

11. Describe your program, the need it is designed to address, and its relevance to Utah and WICHE region workforce needs:
12. Describe the current number of students that are enrolled per year to the degree for proposed WRGP designation, and the number of these students who are currently paying non-resident tuition :
13. Describe the maximum number of students to be admitted to the degree/year with the WRGP designation, and the expected financial impact of this proposed WRGP designation on the degree program :
14. Describe the length of time for which the WRGP designation is requested (number of years, or indefinite):
15. Describe why the proposed WRGP designation will assist this graduate program in fulfilling the University's mission goals, including the long-term sustainability of this graduate program:
16. Describe your program curriculum (number of hours, internships, research, core courses, etc.):
17. Briefly describe your program faculty and their strengths:
18. Briefly describe the diversity of students in the proposed WRGP program, and how the WRGP designation may impact student diversity in the program.
19. Is your program fully accredited by a professional or programmatic accrediting agency that is recognized by the Council for Higher Education Accreditation (CHEA)? If not, please explain. If there is an agency that does not accredit but monitors the development of educational programs like yours in some way, please give that information too.
20. Professional or programmatic accrediting agency (or equivalent) and their website (if applicable):
21. Please tell us about any additional institutional support, funding, special facilities, etc. from which your program benefits.
22. Is your program online or hybrid?
 Yes No

*If “yes”, please select one of the following:

- Fully (and only) online
- On-campus program with fully online option available
- Hybrid program that combines online and on-campus learning

The following information will be needed for the WRGP website and program administration if your program is approved:

23. **PROGRAM DESCRIPTION and WRGP ADMISSIONS REQUIREMENTS:** (100 to 200 words). Please model yours along those of current WRGP program descriptions. We encourage you to review several descriptions before writing yours. They are available at <http://wiche.edu/wrgp> (search for programs in the WRGP online database). In addition to describing your program, please include any special admissions requirements or deadlines for WRGP applicants. If your program is offered fully or partially online, please mention that in your description too.

24. **FIRST POINT OF CONTACT FOR STUDENTS REQUESTING ENROLLMENT AT THE WRGP RATE:** This person will serve as prospective students’ first point of contact as they seek admission to your program through WRGP. This person is typically the dean, director, chair of the department, or a graduate studies department staff member.
